GIANT MAGELLAN TELESCOPE

Interested Parties List

As October 30, 2026

Company name	Company Type	Country	Expertise	Contact name	Contact Email(s)
ACCIONA	Construction	Spain	Engineering, construction, water, transportation, social infrastructure, and energy	Chris Arnold	carnold@acciona.com
Dragados	Construction	Spain	Infrastructure contractor specializing in complex civil works, transportation infrastructure, tunneling, bridges, railways, airports, marine works, industrial facilities, and high-tech construction	Mellissa Leyendecker	MLeyendecker@fdcorp.com
Aperam South America	Steel	Brazil	Steel supplier	Marco Fuoco	marco.fuoco@aperam.com
Arcelor Mittal	Steel	Brazil	Steel supplier	Marcelo Braga	marcelo.braga@arcelormittal.com.br
Asturfeito	Structures, mechanisms	Spain	Large steel structures, mechanisms, telescopes	Ricardo Rodriguez	rrodriguez@asturfeito.com
Bauer AG	Construction	Germany	Specialist foundation engineering contractors	Esteban Venegas	esteban.venegas@bauer.de
Besalco	Construction	Chile	Civil works, Concrete, steel Structure assembly	Alejandro Hevia	alejandro.hevia@besalco.cl
Bespoke Project Solutions	Construction	USA	General contractor specializing in remote, logistically challenging construction projects.	Brandon Neahusan	shaggy@bespokeprojectsolutions.com
Brafer	Structures	Brazil	Steel fabrication and erection company specialized in structural steel engineering, manufacturing, galvanizing, painting, and field assembly	Jose Augusto Silva	comercialsp@brafer.com.br

Interested Parties List

As October 30, 2026

Company name	Company Type	Country	Expertise	Contact name	Contact Email(s)
Cimolai	Construction	Italy	Energy, Bridges, Special projects, Buildings, stadiums	Paolo Calcina	Paolo.Calcina@cimolai.com
Civmec	Construction	Australia	EPC firm delivering fully integrated design-build and program management services	Tony Marraffa	Tony.Marraffa@civmec.com.au
Climatrol	HVAC	Chile	EPC firm delivering fully integrated design-build and program management services	Clemente Chapuzzeau	cch@climatrol.cl
Codeme	Steel	Brazil	Structural Steel Engineering, Fabrication, Erection, Heavy Industrial Construction	Leonardo Chaves	comercial@codeme.com.br
Echeverria Izquierdo	Construction	Chile	Civil works, Concrete, steel Structure assembly	Claudio Doñez Gonzalez	cdonez@eimontajes.cl
Control Industrial Consigna	Industrial automation	Chile	Industrial Control Systems, automation.	Julio Araya	jaraya@consignachile.cl
Edyce	Steel	Chile	Steel structure Fabrication/Assembly	Sergio Sierra	ssierra@edyce.com
Energi & Kylanalys AB (EKA)	MEP	Sweden	Refrigeration Engineering, Energy Analysis, Natural Refrigerants, HVAC & MEP Consulting.	Jorgen Rogstam	jorgen.rogstam@ekanalys.se
Ferrovial	Construction	Spain	Construction, Airports, Highways, Energy	Bruno Frazzoni	bfrazzoni@ferrovial.com
Fluor	Construction	US	Infrastructure, Technology, Manufacturing, Science	Christopher Hall	chris.hall@fluorgov.com

Company name	Company Type	Country	Expertise	Contact name	Contact Email(s)
Gemba	Mechanisms	Australia	Structural Engineering, Civil Engineering, Design Management, Infrastructure & Building Projects.	Heinrich Stander	heinrich@gembadesign.com
Gerdau	Steel	Brazil	Steel supplier	Fernão A. O. Cesar	fernao.cesar@gerdau.com
Hardesty & Hanover	Mechanisms	USA	Kinetic systems	Craig J. Johnson	cjohnson@hardestyhanover.com
Hofmann Engineering	Mechanisms	Australia	Machinery	Robert Ciszak	robert.ciszak@hofmannengineering.com
Ingersoll Machine Tools, Inc.	Steel	USA	Steel structure Fabrication/Assembly	Jeff Kimberly	jkimberly@ingersoll.com
KWH Constructors, Inc.	Construction - Steel and Mechanisms	USA	Construction, Heavy Movable Structures, Steel Construction and Fabrication Management, Oversight, and Coordination, Mechanical Construction and Fabrication Management, Oversight, and Coordination, Precision Survey, Construction Engineering, BIM Coordination and Management, and Scheduling.	Tyler D. Vander Linden, PE	tvanderlinden@kwhconstructors.com
Mas Errazuriz	Construction	Chile	Construction contractors specialize in mining, energy, underground works, earthworks, civil construction, and industrial assembly projects	German Rogers	german.rogers@maserrazuriz.cl
